

SIDEKICK PRO™

DIRECT INJECTION SYSTEM

The industry-leading Raven Sidekick Pro direct injection system helps you save time and money on applications of herbicides, insecticides, drift agents and nitrogen stabilizer. With the Sidekick Pro direct injection system, you can save more in time and inputs—and get more for it when applying costly herbicides, insecticides, liquid fertilizer and nitrogen stabilizer. And because there's no pre-mixing in the tank, there's no waste from unused product—and no cleanout/disposal issues when you're done.

A LEGACY OF PERFORMANCE AND RELIABILITY

The Sidekick Pro™ direct injection system sets a new standard for chemical applications of every type, with unprecedented precision, savings, and safety. Sidekick Pro requires no tank mixing, and with the industry's first automatic calibration feature, you're ready to go in minutes. Utilize Rinse Assist to automatically flush the pump quickly and thoroughly. The whole system is amazingly simple and pays off with greater precision, higher yields and unrivaled efficiency.

FEATURES AND BENEFITS

- Two different types of pumps; 0.03-1.2 L/min and 0.15-6 L/min
- Up to 5 units on one machine, allowing easy switching between fields and applications with Hawkeye® Nozzle Control
- ISObus compatible
- No pre-mixing, tank mixing, cross contamination or clean out reduces waste from unused product
- Time-sensitive chemical mixtures don't require mixing in the tank which decreases susceptibility to wasted product in rainy or windy conditions
- Powerful positive displacement pump which injects on the pressure side, closer to the boom, for faster response time
- Eliminates waste for more environmentally friendly practices
- Flexibility with multiple chemical applications
- Reduced chemical exposure means additional safety for operator
- Adjust chemical concentration on the fly rather than spraying more or less of the entire mix
- Gives you greater flexibility in applications to tackle weed resistance and other challenges
- Automatically flush Sidekick Pro pump with Rinse Assist for increased reliability and fewer service issues.
